Carbon Edition
Carbon mast, Pro-Radial sails

4 cabins · 3 heads
Owner's cabin on the main deck

240 engine hours
Volvo Penta 60 hp saildrive

Marina del Rey
Duties paid, commissioned

THE BOAT

A carbon-rigged NEEL 47, delivered and ready in Los Angeles

COGITO is hull #49 of the NEEL 47, the cruising trimaran drawn by Marc Lombard and built in La Rochelle. She was ordered with four double cabins and three heads as a Carbon Edition: a black carbon mast, performance rigging, Pro-Radial sails and a furling gennaker, on top of NEEL's Premium pack.

She was commissioned at the yard, shipped to Los Angeles and set up by Naos Yachts in Marina del Rey. Shipping, import duties and commissioning are already paid, and her Volvo Penta shows 240 hours.

A trimaran lives differently. The cockpit and saloon share one level, the owner's cabin sits on the main deck with the view, each float has its own private cabin, and the engine and technical systems are grouped low in the central hull.

Offered at $690,000, against a retail price of $971,659 delivered in Los Angeles.

SPECIFICATIONS

UNDER SAIL

Carbon mast, Pro-Radial sails and a red gennaker

RIG & DECK

- Performance rigging: black varnished carbon mast and black anodized aluminium boom
- Shrouds and inner shrouds in compact cable
- Electric winch for the main halyard and reefing lines, plus a second powered winch
- Spinnaker deck gear: two winches, two sheets, two fairleads
- Self-tacking staysail sheeting for short-handed sailing
- Lazy bag and UV strips in NEEL red

SAILS

- Performance square-top mainsail, full battens on ball-bearing cars, Pro-Radial
- Genoa on a stainless single-drum furler, Pro-Radial
- Self-tacking staysail on a removable furler with deck storage bag, Pro-Radial
- Asymmetric gennaker on furler, NEEL red

MANOEUVRING & ANCHORING

- 12 V bow thruster with dedicated battery and charger
- Folding propeller
- Electric windlass with control and chain counter at the helm
- Kobra 20 kg anchor, 60 m of chain and 50 m of rope
- Mooring cleats on both float bows; four mooring lines and six fenders

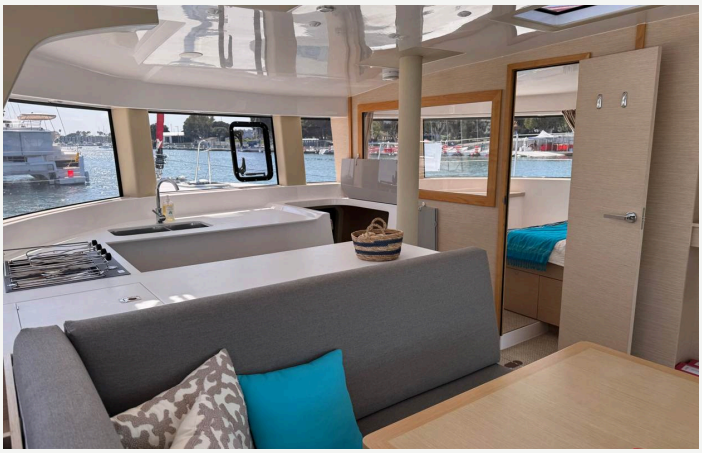

LIVING ABOARD

Cockpit and saloon on one level, open to the sea

SALOON & GALLEY

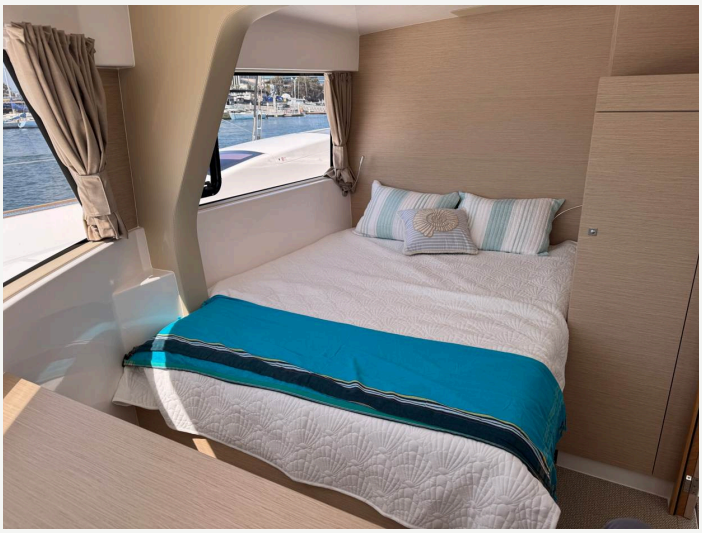

- Panoramic saloon with a sea-facing galley forward
- Saloon table converts to an extra double berth, with saloon curtains and door
- BOLON woven flooring in the saloon, cabins and owner's suite
- Upholstery in Carbon Beige, inside and out
- Two-burner gas hob and gas oven with grill
- 160 L fridge and 53 L freezer
- Fusion Apollo 770 audio system
- LED interior lighting; reading lamps with USB sockets

COCKPIT & DECK

- Synthetic teak in the cockpit and on the transom steps
- Cockpit dining table and two folding cockpit seats
- Removable cockpit tent and full closing bimini tent
- Bimini over the helm station
- Sunbathing area on the roof
- Two bow trampolines
- Transom swim ladder and cold-water deck shower
- Dinghy lifting system with cradles

CABINS

Four double cabins, each with its own privacy

OWNER'S CABIN

- On the main deck, level with the saloon
- Panoramic windows and curtains
- Slatted bed base

GUEST CABINS

- Two guest cabins, one in each float
- A fourth double cabin
- Slatted bed bases in all three
- Upgraded mattresses

HEADS & WATER

- Three heads with washbasin and hot and cold shower
- Freshwater electric toilets with holding tanks
- 60 L water heater
- 158 US gal of fresh water

HELM, ELECTRONICS & ENERGY

A full B&G suite and a US-spec electrical system

ELECTRONICS — B&G

- Zeus 3S 12″ multifunction chartplotter with Navionics charts and Wi-Fi
- Two Triton displays: speed, depth and wind
- Autopilot with gyro and rudder-angle sensor, two control stations
- Cortex VHF with AIS and a repeater at the helm
- Halo 20+ radar on a mast bracket
- USB tracking link for a computer
- Windlass control and chain counter at the helm

ENERGY

- 110 V / 60 Hz network with six outlets and 50 A shore power
- Quattro 3,000 W / 120 A inverter-charger
- 12 V gel service battery bank, 495 Ah, and a separate engine start battery
- Service and engine battery chargers
- Victron monitoring at the electrical panel
- Generator pre-installation: through-hull and valve
- LED navigation lights

ENGINE

- Volvo Penta 60 hp diesel with saildrive, 240 hours
- Folding propeller
- 79 US gal of fuel
- Antifouling over epoxy primer

SAFETY & PUMPS

- Seven bilge pumps across the three hulls, manual or automatic, with alarm
- Sea-water pump and separate shower drain pumps
- LPG control at the panel
