Sleeved spinnaker, furling gennaker

NKE electronics
Instruments and autopilot

THE BOAT

A 26-foot daysailer with classic lines and a modern hull

GAZELLE is a 2015 Tofinou 8, designed by Joubert-Nivelt and built by Latitude 46 on the Île de Ré, France. Naos Yachts ordered her new from the yard with the fixed T-keel, a grey hull with an orange stripe, and a painted grey mast and boom.

She is set up to be sailed short-handed. Halyards and sheets run under the mahogany coamings to two self-tailing winches beside the tiller, the headsails furl, and an NKE inboard autopilot steers while you handle the sails.

Her mainsail and furling genoa were new in 2023. A spinnaker with a sleeve and a furling gennaker cover the downwind angles.

Teak decks, varnished mahogany and a deep cockpit: a boat for an afternoon sail with friends, or on your own.
