Never chartered
Owner-sailed since new

1.6 kW solar
Plus ATMB wind generator

1,200 Ah bank
4 kVA inverter-charger

Watermaker
Catalina 340Z

THE BOAT

Never chartered, equipped for long-range cruising

LA VIGIE is a 2018 Lagoon 450 F, the flybridge version of Lagoon's 45-foot cruising catamaran. She has never been chartered: since new she has been sailed only by her owner, and she is held in an LLC.

She was set up for self-sufficient cruising, with a 1,200 Ah battery bank, 1.6 kW of solar and a wind generator, a watermaker, Iridium and SSB communications, and a 40 kg Rocna anchor on 320 ft of stainless chain.

Comfort has not been forgotten: a hardtop over the flybridge, a hydraulic tender platform, underwater lights, a washer/dryer and all three heads converted to fresh water.

Her name is French for the lookout: the watch kept from high above the deck.

SPECIFICATIONS

Builder	Lagoon · CNB, France
Design	VPLP Design
Model · year	Lagoon 450 F (flybridge) · 2018
