New sails 2025
Mainsail and genoa

Two cabins
Separate shower compartment

Mainsail arch
Twin helms, clear cockpit

B&G electronics
Plotter, autopilot, AIS

THE BOAT

A modern cruiser that is easy to sail and easy to live aboard

VESPER is hull #226 of the Beneteau Oceanis 38.1: a Finot-Conq hull with an interior by Nauta Design. She was ordered new by Naos Yachts, the California Beneteau dealer, and is offered for sale in Marina del Rey.

She was built as a two-cabin boat with the long side galley and Walnut Alpi joinery, in the Family trim level, with the mainsail arch, a separate shower compartment, a 2,000 W inverter, an electric toilet and a three-blade folding propeller.

Her mainsail and genoa were new in 2025. An asymmetric spinnaker and a furling gennaker complete the wardrobe.

Twin helms, a cockpit kept clear by the arch, and a bright saloon: a boat a couple can sail and a family can cruise.
